DATE: November 27, 2024
AUTHORIZATION(S): *Betty M...*

SUMMARY

Issue for Decision (Consent)

Should the Board of Regents approve the appointments of Stephanie Maes, Kellie Murphy, and Erin Morigerato to the Committee on the Professions?

Reason(s) for Consideration

Required by Rules of the Board of Regents.

Proposed Handling

The issue will come before the Full Board for action at its December 2024 meeting.

Procedural History

Part 24 of the Rules of the Board of Regents establishes the Committee on the Professions and requires the appointment of members by the Board of Regents.

Background Information

The Committee on the Professions (COP) was established by the Board of Regents to assist the Board in supervising admission to and regulation of the licensed professions. Composed of Department officers designated by the Board and working in panels of three, the COP considers atypical licensure cases wherein applicants seek to meet given requirements by submitting credentials that are the substantial equivalent in scope and content to those normally presented. The COP also makes final determinations concerning questions of moral character for purposes of initial licensure; hears and makes recommendations to the Regents concerning requests for restoration of a professional license that has been revoked or surrendered; and reviews and makes recommendations to the Regents on proposed penalties in consent orders related to professional misconduct.

Due to the departure of several members of the Committee on the Professions and the substantial workloads carried by current Committee members, it has become more difficult to plan meetings of the COP for which the requisite 3-member panel must be selected. As a result, additional Committee members are needed. Accordingly, I am recommending the addition of the following individuals to the roster of COP members (attached):

- Stephanie Maes, Executive Secretary
- Kellie Murphy, Executive Secretary
- Erin Morigerato, DPLS Director

They have expressed interest in participating in the licensing and disciplinary processes by serving on the COP and would be valuable additions to the Committee.

Related Regent's Items

Not applicable.

Recommendation

VOTED: That the Board of Regents approve the attached roster of the Committee on the Professions, effective December 10, 2024.

Timetable for Implementation
